1. 需通過本系主辦之烘焙食品丙級模擬考(學、術科)通過。
2. 未取得證照之人數若達開課門檻，本系則加開「中式麵食類」補救教學；若未取得證照之人數未達開課門檻，則以本校推廣組所開之相關餐飲廚藝課程結業證書，證明已完成課程之學習。

(三) 本補救措施僅承認四年級下學期(含)後所取得之相關證明。

(四) 英文能力補救措施：

大四第二學期開學前未通過各系及學位學程之英文能力檢定標準者，可修習語文中心開設於大四第二學期或暑假期間之「英文檢定輔導」課程(三十六小時)，課程依照學校收費規定付費，修課規定依本校學則辦理，通過課程考試者等同通過本校英文能力檢定。

4. Remedial Measures：

- (1) For students who have obtained the Level C Certificate in Bakery Products (lacking 1 certificate):
 - i. If the number of students lacking the certificate reaches the threshold for opening a class, the Department will offer remedial instruction for "Chinese Wheaten Food Processing."
 - ii. If the number does not reach the threshold, a completion certificate from relevant culinary arts courses offered by the Extension Education Division of the university can be accepted as proof of completed study.
- (2) For students who have NOT obtained the Level C Certificate in Bakery Products (lacking 2 certificates):
 - i. Students must pass both the written and practical mock exams for Level C Bakery Products organized by the Department.

- ii. If the number of students lacking certificates reaches the threshold, the Department will offer remedial instruction for "Chinese Wheaten Food Processing"; if the threshold is not met, a completion certificate from relevant culinary arts courses offered by the Extension Education Division shall serve as proof.
- (3) These remedial measures only recognize certificates/proofs obtained during or after the second semester of the senior year.
- (4) Remedial Measures for English Proficiency
Senior students who fail to meet the English proficiency standard before the start of the second semester of their senior year may enroll in the 36-hour "English Proficiency Test Remedial Course" offered by the Language Center during the second semester of the senior year or summer session. Tuition fees and course regulations shall follow the university's academic policies. Students who pass the course exam will be deemed to have passed the university's English proficiency requirement.
